Jeff-

No problem about getting you a copy of my CV - is a fax OK? Should I send it to the Greenfield office's fax number (413-773-3278) or somewhere else?

On a related note, do you happen to have the drug lab number(s) listed on the certificate(s) so I can be prepared if/when I am needed? Thanks.

Hi Sonja,

I am currently scheduled to try the case against [REDACTED] you did the Drug Analysis on this case (under the name of [REDACTED]). Could I get a copy of your CV to provide to defense counsel? I am hoping he will not require your presence at trial on March 15, 2010, but he would like your CV at this point.

Thank you,
Jeff Bengtson
